

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

National Intelligence Officers

SP - 77/82
13 May 1982
Copy 2

MEMORANDUM FOR: Chief, Naval Systems Division, OSWR
FROM: National Intelligence Officer for Strategic Programs
SUBJECT: Draft study "New Type Reactor in Soviet Nuclear Powered
Submarine and Implications", 11 May 1982

This is a good study. Our main comment is that the "Summary" should be more forthcoming on the relative merits of these types of reactors, as noted in the paper, itself.

Lawrence K. Gershwin
